This amendment is the majority report of the Joint Standing Committee on Agriculture, Conservation and Forestry. It requires the Maine Land Use Regulation Commission to submit a comprehensive land use plan or portions of a plan to the joint standing committee of the Legislature having jurisdiction over conservation matters a minimum of 30 days prior to the final vote of the commission. It requires review by the legislative committee at a public meeting prior to the commission's vote. The commission must brief the committee on anticipated rule changes resulting from the revised plan. It retains the Governor's role in the process as it is under current law.
